Rector Characteristics and Attributes, October 2017

St. Edmund's is seeking a Rector who can assist in achieving the following targeted parish goals:

1. **Pastoral Care/Counseling** An individual who is willing to provide pastoral care and counseling to parishioners, as needed and when called upon;
2. **Worship-Liturgy-Music** An individual who can provide a worshipping experience with our liturgy and music;
3. **Growth** An individual who possesses the personality and ability to attract new members to our worshipping community which is in an urban setting;
4. **Spiritual Development** An individual who can assist in the spiritual development for our worshipping community and is willing to help parishioners express our common faith in spite of all of the individual challenges which we all face;
5. **Preaching** An individual who can Biblically preach inspiring and thought-provoking sermons which are contemporary with current world and national events;
6. **Christian/Formation Education** An individual capable of leading a multi-generational parish, incorporating and developing a process where parishioners grow in their personal relationship with God;
7. **Social Issues** An individual who is willing to embrace current social issues in our community and participate and work with organizations which exist outside of our worshipping community;
8. **Administration** An individual who possesses strong administrative skills and is capable of working with people;
9. **Personal Dimensions** An individual who possesses and demonstrates high, ethical and moral standards in his or her behavior and daily life.
